

# Minutes of the Creston Golf Club -- Mens Club AGM

Sep 30, 2018

## Following Men's Night Closing Tourney

Meeting started at 4:30 PM

Present: Dave Magrum, Terry Mikulak, Charles Vanderwindt , Don Price and Ted Moffat

Regrets: Brian O' Keefe, Darren Douma

Don Vaillancourt asked questions regarding the declining number of members. No numbers available at the time of the meeting

Suggestions by Don Price to change number of Scrambles. Voted on and decided on 3.

Later it was agreed upon to defer decision after more research and make a decision in the spring of 2019

Suggestion by Ken Karlander to not allow existing members to join the men's league after the draft is completed. Only new members would be eligible to join after. The majority of members was to be in agreement.

Need to come up with a way to encourage the octogenarians to participate in men's night and men's league.

Suggestions were as follows: Members over 80 that want to designate themselves as Teeing off from the Gold/Red tees to be included in the draft ( i.e. one per team if possible)

Similar scenario for Men's Night. Separate flight for over 80 ( no handicap) teeing off from Gold/Red tees.

David Magrum elected as Men's Club President

Terry Mikulak elected as Men's Club Vice President

Charles Vanderwindt elected as Men's Club Captain

We omitted to elect a new Secretary. Need to address that.

Meeting adjourned at 5:30 PM
