

## **Men's Night Executive Meeting**

March 28, 2021

Creston Golf Club

### **Attending**

David Magrum, Charles Vanderwindt, Ted Moffat, Don Price, Ross Blair, Mike Nelson, Darren Douma, Peter Kenneford

Called to Order 4:02 pm

#### **1. Golf Genius**

Moved Nelson/Seconded Price – That \$3 from every entry from major tournaments be used as funding for Golf Genius Programme.

Amended Moffat/Seconded Price – The purchase of Golf Genius will be funded by transferring \$1 for each participant of all club tournaments, without overtly raising the entry fee. This will require obtaining agreement from the Lady's Section. If, at the end of the season, it is apparent that there will be a shortfall, the remainder will be obtained by reducing Men's Night and/or Men's League payouts.

Carried

#### **2. Sponsors**

There are currently only seven sponsors, down from last year's ten. I will approach Virginia about sponsorship from Mutual Fire Insurance. Darren said he would be the captain.

#### **3. Men's Night KPs, Skins, etc.**

Discussion and decision to move back to Pre Covid and include KP's Scramble end of first half, and end of second half.
