

Minutes of Creston Golf Club -- Men's Club Meeting

Oct 19, 2017

Meeting started at 6:30 PM

Creston Men's Club Board Members

President: Darren Douma

Club Captain: David Magrum

Vice-President: Vacant

Treasurer: Ted Moffat

Secretary: Charles Vanderwindt

Directors:

Terry Mikulak

Don Price

Brian O'Keefe

Present: Darren Douma, David Magrum, Terry Mikulak, Don Price, Brian O'Keefe, Ted Moffat and Charles Vanderwindt

Darren opened the meeting by welcoming every one as well as Terry Mikulak as the new Director at large

New Business:

Election for the vacant Vice President position.

David Magrum nominated Terry Mikulak and Ted Moffat seconded.

Terry accepted the position of Vice President.

Treasures report:

Ted said he will finalize the financial report after the last Men's Night (Oct 25/17)

Ted introduced a list of all Men's League players and their " Power Points" totals and average.

Ted will correlate the Men's Night pay out with the Handicaps and Power Points and produce a spread sheet. The power point information is valuable tool for the drafting of players for the Men's League

Men's League:

David Magrum started a discussion about the Men's League, in regards to the number of Scrambles and the points awarded for placing and bonuses.

The members of the Men's League appear to favour the use of 4 scores per team each and continue to have 4 scrambles. There was some more discussion regarding the points awarded during scrambles. The decision was made to come up with 3 scenarios for the scramble format and present it to the membership in the spring, to be voted on. Only members that have paid their dues to join the Men's League will be eligible to vote.

Discussion about people joining the League after the draft:

The final consensus was to have 10 teams , with the option to expand to 11, if the numbers support the move. If there is the situation where some teams do not have the full amount of players (10), then allowance will be made to add a player after the draft, to be done fairly by random selection. When all teams are at their capacity, no more players will be added.

Sponsor fees will remain as is at \$200.00 and Men's league fees will remain at \$50.00

Darren suggested that no Men's League issues should be dealt with during the AGM, and also was of the opinion that the AGM should not be held during the Men's Closing Night but be held at a different time. Everyone agreed.

Brian will update the spread sheet for the Scramble, so that the scoring information will be more readily available after the Scrambles are finished.

Darren made the suggestion that all tournament fees should be paid prior to the start of the tournament, by at least 1 or 2 days. ??

Kootenay Cup:

Discussion was held regarding the qualifying requirements for the Kootenay Cup. Should it be all net, or a mix of gross and net. Dave Magrum motioned to change the qualifying format to 4 gross and 8 net. Ted Moffatt seconded. Motion was defeated and the qualifying format will stay as is, namely 6 net and 6 gross.

Dave suggested increasing the number of qualifying days for the Kootenay Cup from 2 days to 3 days. All present were in favour.

Creston's Men's League is responsible for supplying the hats for the 2018 Kootenay Cup tournament. Brian will get info from his supplier regarding costs.

Men's Night:

Darren asked if there was a need for any help with entering data for the weekly Men's Night. David Magrum mentioned that he takes care of the handicap adjustments every week. No further help was necessary.

Iron Man Tournament:

Dave said he needed 2 Hole in One spotters for the Iron Man. Looks like he is volunteering his wife Dallas.

Motion to adjourn by Darren Douma, seconded by Ted Moffat.

Meeting adjourned at 8:00 PM.
