Club House Report

Discussion: After a very busy June, the month of July has been a little slower month for tournaments. July 3rd/4th was the Senior's Open (68 people). The rest of the month has been steady with new faces, green fee golfers and members. Hoping to get a smaller fridge from Coke Cola for Pro Shop to have Water, Gator Aid, etc, and sandwiches/snacks for early morning golfers-saves the Staff from leaving the proshop unattended.

Month of August Events:

Huscroft Sawmill Fun Tournament Aug 16th

Club Championships Aug. 23/24th

Thunder Cats Charity Tournament Aug. 30th

From the Kitchen: Watch for Daily specials Thursday - Sunday

Grounds Report

Discussion: Golf course is staying in good condition considering the heat, staff are doing a great job. Some monies are being spent on repairs/maintenance of equipment. Repair expenses for the Rental Cart fleet are going up due to some broken windshields, 4 have been replaced and 4 more on back order. Hoping to finish sand in 9 and 1 bunkers. The irrigation motor has been replaced and seems to be working great, costing \$2800.

The course is seeing lots of ball marks, chipping divots out of greens, divot pelts on fairways, this can be improved if all golfers are talked to everyday.

Presented by: Ron Y

Motion to receive the Grounds report by: Loretta F. Seconded by: Laura W. Carried.

Action items:

Person responsible:

Jim W.

Deadline:

Pro Shop Report

Discussion: July has been another good month for revenue. Starting August 1st is now half price for full memberships. Cart sheds are now full with a waiting list. Rounds played 5260 up from 2024 by 567. Cops for Kids will move to July 11/2026. Slow play is unacceptable, need to look for Marshall's for upcoming tournaments. The driving range will be scheduled to close on Sept 15th for the season. The range cart is having mechanical issues, and seems to be on its last legs-Jim is looking for a replacement. Score Cards are now ordered. August will be a very busy month, Club Championship, preparation for Boyd/Haddad and several other events. Creston Golf Club will host the BC Senior Championship next season. **Note** to the Junior Club that they usually use Caddies from the local course and would be a good opportunity for our junior members.

CGC will need to ask Members to help with Carts or we need to look at additional Cart Rentals for Tournaments.

Spencer will be going to Kelowna to take his level 1 PGA Teaching Certification, requested assistance-professional development.

MOTION: (sent on Slack) by Tyler Hancock, seconded by Deb Myer: "To reimburse Spenser for his course fee and two nights hotel and gas(receipts to be submitted to Norma). Carried.
