Grounds Report

Discussion:

The Driving Range is now closed September 15th and work has started. Please watch for work crews going up Hole 18 cart path to access the back end of the Driving Range. Grounds crew are focusing on replacing older irrigation sprinkler heads, etc. Sand has been replaced in most of the green side bunkers. Equipment repairs are increasing as our fleet of equipment gets older. John is doing a great job keeping everything going. We are doing our best to keep costs down, however the prices of all things keep increasing. Considering the hot weather the course remains in good shape.
