### FROM THE EXECUTIVE

🎉 Happy New Year 2025! 🎉

We hope you've had a safe and joyous holiday season filled with cherished moments with family and friends. The holiday season always seems to pass by so quickly, but it provides a wonderful opportunity to reflect on the past year and look forward to the exciting times ahead.

As we look back on 2024, we are proud of the improvements made to the golf course. If you're still in town, we invite you to come out to the club for a leisurely walk and see the enhancements for yourself!

Looking ahead, 2025 promises even more exciting developments. We are committed to building on the momentum by continuing to enhance our amenities and improve the club experience for all. Our goal remains the same: to create a vibrant and welcoming community for every member.

Here's to another fantastic year together—on and off the course! 🏌️☀️

# Members Interested in Serving on the Board of Directors!

## Grounds

It's wonderful to see so many people enjoying the golf course with their dogs during the winter months! However, we kindly ask everyone to respect the course by cleaning up after your furry friends when nature calls.

Remember, it's a privilege to use the course during the off-season, and taking care of it now helps us avoid unnecessary cleanup once spring arrives. Let's work together to keep the course enjoyable for everyone—thank you for your cooperation! 

# Golf Shop

📣 Calling All Members! Help Us Get Ready for the 2025 Season 🏌️

We've been running low on driving range balls and need your help to replenish our supply! This spring, we're organizing a Tree Pick Event to recover the thousands of golf balls scattered in the tree areas near the range. Your efforts will help us kick off the season strong while we work on sourcing used range balls from other courses.

🌟 How You Can Help:

Join our Spring Range Pick (weather permitting), tentatively planned for early March.

Send an email to [golfpro@crestongolf.com](mailto:golfpro@crestongolf.com) to let us know. We'll keep you updated on the event date and details.

As we grow our Junior programs here at Creston Golf Club, any donated unused junior clubs would be greatly appreciated to help introduce more kids to the game we all love.

Let's work together to prepare for a fantastic 2025 season! 🏌️ 🏌️

As we inch closer to the 2025 golf season, excitement is building! Starting in February, new products will begin arriving in the golf shop. If you're planning a trip down south and still need some gear, don't worry—we still have great deals on merchandise waiting for you.

This season, we're excited to introduce some fresh brands and products to our lineup. Keep an eye out for new arrivals from Bird & Barley, Penguin, Spark Golf, and Volki Golf Balls, just to name a few.

Stay tuned for more updates, and swing by the shop to check out the latest gear and deals as we gear up for another fantastic season!

## Winter Golf Lessons – Keep Your Swing Sharp! ❄️
